

**SOLE - The International Society of Logistics**  
**Florida LOG 2001**  
**7th Annual Technical Conference**  
**March 9 and 10, 2001**  
**In Orlando, Florida**

**Conference Theme: *Diversity In Logistics***

Six Florida Chapters are proud to announce the 8th annual Technical Conference -- Florida LOG 2001.

The conference will be held in Orlando, Florida, at The Delta Orlando Resort, 5717 Major Boulevard, Orlando, Florida 32819-7998, (407) 351-3340. This Technical Conference will be user-oriented and will focus on building the individual logistician. A separate track for Space Logistics will be offered.

## Call For Papers and/or Presentations

**Florida LOG 2001** will feature a technical program of interactive workshops and paper presentations. Authors are invited to submit presentation abstracts (and/or workshop proposals) in the following areas:

Reverse Logistics	Educational Opportunities:
Interactive Electronic Technical Manuals (IETMs):	Interactive Training Tools and Techniques
Automated Publications	CPL/Professional Certification Preparation
Affordable Readiness	Evolutions in ISO 900X
Environment:	Parts Management, Provisioning & Spares Determination
Protection, Cleanup, Waste Mgt, HAZMAT	Supply Chain Management
Communications Techniques and Implications:	Space Logistics
Internet, EDI	Contractor Logistics Support
Logistic Front End Analysis:	Transportation, Storage and Distribution
Design for Total Ownership/Optimum Life Cycle Cost	Depot Privatization vs Third Party Logistics
Logistics Management Information	Software Logistics Support
Maintenance Planning Techniques:	Government and Commercial Partnerships
Predictive Maintenance	Entertainment Infrastructure Support
Reliability Centered Maintenance (RCM)	Medical Infrastructure Support

**SUBMISSION OF ABSTRACTS:** Those interested in being published in the proceedings should submit an abstract of no more than 500 words describing their concepts by **October 19, 2000** to the Programs e-mail address below. Please annotate if you are available to present a workshop. The submittal should be in a digital format on disk (3.5") or via the internet. The preferred formats are Microsoft Word for Windows or Word Perfect (5.1 or higher); however an ASCII text file is acceptable. Authors will be notified of acceptance and will receive author kits by **November 15, 2000**. Workshop Papers will be published; however, presentation view-graphs (4 - 6 per page) will be accepted in lieu of formal papers, if the author prefers.
